

LATEST NEWS FROM THE IASK BOARD

The Christmas and New Year's festivities are behind us, but the IASK board has Good News for you. ☺

We had our now customary two day boardmeeting at the Home Office in Melun. Some of the members met in person, most of us were on Skype due to the very bad weather in Europe at the time.

Here is what we have to report:

1. **First of all**, it is now possible for you to **pay your Annual Membership Fee using Pay Pal**. It will be a great help for members outside Europe. We recommend that Europeans or members living within the European Union (who benefit from the European directive on free international bank transfers) go on wiring the money rather than using Pay Pal.
2. **Secondly**, we have firmed up the **program around our next Annual General Meeting (AGM)**, which – as you know – will take place in Copenhagen, Denmark **on May 27, 2010 at 7 pm**.

Following suggestions made by the membership these last years, the Board has organized **specific workshops**, either IASK's own or workshops developed by other professional organizations. We invite you to participate in two workshops around the AGM:

- **KATHIE GUHL AND DEBRA HURT'S** very unusual class **“Ethics, not Rules”**
 - **on May 27th - from 9 am till 5.30 pm.**

Ethics 1 is not another ‘pedantic’ lecture on Ethics. It is based on the myth of the wounded healer, Chiron the Centaur; Kathie and Debra lead us very gently into looking deep into ourselves to discover our own wounds - and motivations - to help others. Once insight is gained, the balances are very simple and effective. An experience and a learning process that will leave you moved. We will organize levels 2 and 3 at our next Conference in 2011.

Tuition: 120€ - Special rate for IASK members 80€

Registration: at info@iask.org not later than April 15th

- A specific **IASK CLASS on “Research and Methodology”**
 - **on May 28th - from 9 am till 1 pm.**

We feel that although some research is being done about the effectiveness of kinesiological methods, a lot more is needed for us to ascertain that we are doing our job and for the public to be reassured that kinesiology is more than a great placebo effect; Two members of the board have already had some experience in participating in research projects and we are planning a 4-hour meeting to share best practices and to help would-be researchers get started. We intend to have a full-fledged workshop by our next Conference.

Participation: 25 € -

Registration: at info@iask.org not later than April 15th

Also, we will have the opportunity to benefit from Donna Eden's teachings. She will be in Copenhagen, sponsored by The Danish School of Pedagogical Kinesiology together with Quantum Health Institute:

- DONNA EDEN's workshop on "*Bringing Energy Medicine into Health Care*"
 - on May 28th (evening), May 29th (all day) and May 30th (9 am till 1. pm).

Energy is the vital, living, moving force at the foundation of your well-being. At this workshop, you will learn how to increase your vitality, enhance your health and happiness, and send healing to areas of your body that need attention.

The techniques you will learn will enhance your own well-being and, if you are a health care practitioner, they will add new tools to your existing therapeutic approach.

Tuition: Early Bird" price = 1.500 Danish Crowns (about 200 €) for the first 100 persons who sign up. Otherwise, 1.800 DKK, with a 10 % discount as a member of an IASK (or another organisation)

Registration: at www.qh-scandinavia.com and click on EVENTS.

The text on Donna Eden's workshop is in English

We are really looking forward to seeing a lot of kinesiologists from all over the world. Know that you will be meeting many Danish kinesiologists and other people working in the field of Health Care if you can stay for Donna Eden's workshop.

Please spread the news to people you know, and don't miss the chance!!!
