## SCIENTIFIC PROGRAM

### Saturday, 20th september 2008

- 9,00-9,45 a.m. WELCOME AND REGISTRATION.
- 9.45-10,00 a.m. SYMPOSIUM OPENING.  
**Màrius DURAN I HORTALA**, director of EUIFN Blanquerna, Ramon Llull University, Barcelona, Spain.  
**Joan SALA, Elisabet TEBAR, Valérie FONTAINE and Philippe BOMBEECK**  
National Organizing Committee, EUIFN Blanquerna, Ramon Llull University, Barcelona, Spain
- 10,00-11,00 a.m. **Anne Marie GOLDSCHMIDT, Danmark.**  
Research in CAM in Danmark. Study of cases in Specialized Kinesiology in the Health field and prevention of diseases related to stress.
- 11,00-11,30 a.m. **Belén MARTIN VAZQUEZ, Spain.**  
History and basics notions of Quantics Physics.
- 11,30-12,00 a.m. Coffee Break.
- 12,00-1,30 p.m. **Freddy POTSCHKA, Germany.**  
Learning problems treated with Kinesiology and WARNKE method.
- 1,30-3,00 p.m. Lunch.
- 3,00-5,30 p.m. **Philippe BOBOLA, France**  
Introduction to Quantics mechanics in water application.  
**Serge BERNARD, Belgium**  
Application and research in mineral, vegetal and animal kingdom
- 5,30-6,00 p.m. Coffee Break.
- 6,00-8,00 p.m. A.G.M. (Annual General Meeting of IASK)
- 9,00 p.m. symposium dinner

### Sunday, 21th september 2008

- 10,00-11,30 a.m. **Diego VELLAM, Italy.**  
Shifting the Quantum Reality of Healing: from binary to Analogue Kinesiology Testing.
- 11,30-12,00 a.m. Coffee Break.
- 12,00-1,30 p.m. **Guillaume MOREAU, France.**  
Quantics therapies within Kinesiology.  
**Philippe BOMBEECK, Belgium.**  
Experiment with AMSAT and Physioscan in Kinesiology, Montpellier, France.
- 1,30-3,00 p.m. Lunch.
- 3,00-3,45 p.m. **Tonia CORTADELLAS, Spain.**  
Kinesiology assay at school and technics used at the hospital.
- 3,45-4,30 p.m. **Valérie FONTAINE and Elisabet TEBAR, Spain.**  
Muscle testing, experiment at the biomechanic laboratory of EUIFN, Blanquerna URL.
- 4,30-5,30 p.m. Roundtable discussion.  
Is there a place for Kinesiology in Quantics Physics?  
**Philippe BOBOLA**  
**Tonia CORTADELLAS**  
**Freddy POTSCHKA**  
**Guillaume MOREAU**  
**Serge BERNARD**
- 5,30 p.m. Closure Act

## LECTURERS

- **Màrius Duran i Hortala, Spain**  
Director EUIFN Blanquerna, Ramon Llull University, Barcelona.
- **Serge BERNARD, Belgium**  
Kinesiologist and geobiologist.
- **Philippe BOBOLA, France**  
Doctor in Quimics-Physics and biologist.
- **Philippe BOMBEECK, Belgium**  
Physiotherapist and kinesiologist, teacher of the kinesiology post-degree at Blanquerna, Ramon Llull University.
- **Tonia CORTADELLAS, Spain**  
Medical doctor, Tropical medicine specialization
- **Valérie FONTAINE, Spain**  
Physiotherapist, osteopath and kinesiologist, coordination of the kinesiology post-degree at Blanquerna, Ramon Llull University.
- **Anne Marie GOLDSCHMIDT, Danmark**  
Kinesiologist and nurse,  
President of IASK( International Association of Specialized Kinesiologists)
- **Belén MARTIN VAZQUEZ, Spain**  
License in Quimics and license in Physics.
- **Guillaume MOREAU, France**  
Teacher of Quantics Physics and Master in Naturopathy.
- **Freddy POTSCHKA, Germany**  
Kinesiologist
- **Joan SALA, Spain**  
Physiotherapist, psychologist and osteopath, teacher EUIFN Blanquerna, Ramon Llull University.
- **Elisabet TEBAR, Spain**  
Physiotherapist and kinesiologist, coordination of the kinesiology post-degree at Blanquerna, Ramon Llull University
- **Diego VELLAM, Italy**  
Kinesiologist, physicist and therapist.

## NATIONAL ORGANIZING COMMITTEE

Philippe BOMBEECK  
Valérie FONTAINE  
Joan SALA  
Elisabet TEBAR

### Inscription:
