## News From The Board February - 2013

---

IASK- HOME OFFICE: 320, Chemin de Labourdette - F-31380 Gragnague - France  
e-mail: General Information [info@iask.org](mailto:info@iask.org) & Membership Forms: [home-office@iask.org](mailto:home-office@iask.org)

Dear Friends,

We are in the midst of preparing the **2014 conference in Copenhagen, Denmark.**

A folder with the precise schedule will be sent to you in the near future, and will be posted on our website. The folder will contain information about the international speakers, kinesiologists and non-kinesiologists, who have agreed to come and share their valuable knowledge with all of us.

The theme of the conference is:

**Increasing Awareness  
in a Changing World**

And the dates, as you already know:

**May 1<sup>st</sup> through 4<sup>th</sup> 2014**

As usual our conference will have space for an **IASK Forum**, in which ALL conference participants are encouraged to participate; forums are a very good way to deepen our thinking about a chosen subject. We will let you know what this subject is as soon as possible.

We will also have several "**My Best Idea**" spots, a concept introduced with great success several years ago, like the forum. If you, whoever you are and wherever you come from, want to share your best 'kinesiological' idea, just let us know. You will get 10-15 minutes to present it to all the other participants.

If you want to give a helping hand with the conference preparations, it will be very welcome. Just write us, and we will give your information to the conference coordinators, **Annemarie Goldschmidt and Sabine Rosén.**

### **AGM 2013**

IASK will hold its next AGM during the IKC conference in Vienna, Austria, August 30<sup>th</sup> through September 1<sup>st</sup> 2013. We are grateful to the IKC Board for giving us time and space during their yearly event. We believe that this cooperation between our organizations is beneficial for all kinesiologists. You can already

register for the IKC Conference at <http://www.ickh-2013.at>. You will find our **AGM** provisional agenda attached to this Newsletter.

### **Elections**

We shall hold elections during this **AGM**. They are only 5 board members at this time and we are looking forward to welcoming new board members. We are thrilled that **Greta Balajthy (Hungary)** is willing to get on the board. She is already helping us with the website, especially the directory of members. Check our website: [http://iaskmembers.blogspot.be/search/label/Greta Balajthy](http://iaskmembers.blogspot.be/search/label/Greta%20Balajthy). If you are interested in doing some work for our international organization and would like to be nominated for the board, please let us know as soon as possible. We would like all members, even those who cannot attend the 2013 AGM in Vienna, to be able to vote. So please send us a letter of motivation at [info@iask.org](mailto:info@iask.org). We shall send you more information about the elections in a future Newsletter.

### **Call for dues**

It is time for the payment of the dues for 2013. You will find the Call for dues attached to this email. The dues are 40 Euros for regular members, (20 Euros if you are a member of a national non-profit professional association affiliated to IASK as an Associate member); 100 Euros for Associate Members, Organization or School; 20 Euros for supporting members (retired colleagues or students). Please encourage **Kinesiologists and Associations** you know to send in their application for membership. As a regular member you will get a discount on conferences and several workshops organized around the conferences. Do not forget that you can send a picture (JPG) and your schedule (no more than an A4 page in a Word document).

We look forward to seeing many of you in Vienna, Austria and in Copenhagen, Denmark!

Warm regards from the **IASK Board**,  
Annemarie, Nicolette, Sabine, Sylvie, Verónica
